## **D1 09/10/22 Sunday: Johannesburg - Kruger (460 km)**

### **Transfer • Blyde River Canyon and Potholes • 4x4 Game Drive**

06:00 - Transfer from Johannesburg to Kruger

- Make your way towards the Blyde River Canyon and Bourke's Luck Potholes. This seemingly endless river canyon is filled with some of the most beautifully scenic vistas in South Africa. The Bourke's Luck Potholes mark the beginning of the canyon and comprise intriguing geological formations at the confluence of the Blyde and Treur rivers. The canyon itself is 3rd largest in the world, covered in lush sub-tropical vegetation with an average depth of 750 metres and 25 kilometres in length. It consists mostly of red sandstone and has some of the deepest precipitous cliffs of any canyon on the planet.
- Arrival in Kapama Private Game Reserve. Stylish and elegant, yet irresistibly wild, the Kapama Private Game Reserve offers an exclusive safari experience. As the largest privately owned reserve in the greater Kruger area, Kapama is teeming with African wildlife and a selection of luxury lodges where guests can experience game drives, bush walks, and much more. Nestled between the northern Drakensberg mountains and the greater Kruger National Park, the thickly vegetated reserve is fed by the Klaserie River where forested banks provide the ideal prowling grounds for leopard and all of South Africa's big game can be found. Kapama's wilderness extends over 17 000 hectares, boasting a wide diversity of eco-systems, birds and wildlife. Enjoy game drives and nature walks conducted by skilled rangers and trackers as you explore the rolling savannah grasslands and riverine forests that make up this appealing African reserve. VISAS, TAXES and FEES

#### FORMALITIES FOR CHILDREN

All minors under 18 years of age travelling to and from South Africa have to present additional documents. These new regulations apply to all travellers, regardless of the nationality. It is important to carefully check the different requirements as otherwise entering or leaving South Africa will be refused.

For further information, please contact the South African embassy / consulate in your country.

#### PLEASE NOTE

- Malaria prophylaxis is recommended for the Kruger Park, Swaziland and Durban regions.

#### KRUGER PARK

There is a maximum threshold of visitors that can enter the park daily. If this threshold is reached, only visitors with pre-booked overnight accommodation will be permitted access. You are advised to get to your gate of choice as early as possible, particularly over peak season periods.

- The park gates open and close at sunrise and sunset, between 05h30 and 06h00, and 17h30-18h00, depending on the season.

- Traffic in the park is prohibited after closing time. If you sleep in the park, please take into account the travel time (average speed 40-50km/h) between the gate and the camp in which you stay overnight to get there before the park closes.

#### TIPS

It is customary in the country to leave tips to service professionals, which includes in particular servers in restaurants (10% of the bill), porters in hotels (15 ZAR/piece of luggage/trip) and of course the guides, drivers or rangers you will meet during the trip (40 ZAR/day/person for the guide or driver-guide, 20 ZAR/day/person for the driver, 30 ZAR/day/person for the rangers).

None of these tips are mandatory, and the amounts shown here are only an indication of what is normally expected by the country's professionals.
